EASTERN SHORE FOREST WATCH ASSOCIATION
2017-18 MEMBERSHIP APPLICATION

Mission Statement:

Eastern Shore Forest Watch Association is a group of concerned citizens who support a vision of connected protected areas and sustainable forest practices. We bear in mind that humans are only one of thousands of species in any region, each of which is important as an integral part of the ecological web. The organization is dedicated to the long-term care of our forests. Our objectives are action, education and alternatives that promote the health of our Acadian forest ecosystem and the communities which depend on it.

I endorse the Mission Statement of Eastern Shore Forest Watch Association.
